Statement

We hereby declare that the TARCZYŃSKI SA company determines the content of meat in all manufactured assortments in accordance with REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL (EU) No 1169/2011 of 25 October 2011, Annex VII, Part B, point 17. In accordance with the statement mentioned above, the determination of meat content is based on the recipe, which is based solely on the definition of meat included in the Regulation, which is generally binding in all EU Member States.

The content of meat declared by us on the packaging is correct. The results obtained by the Czech Republic on the basis of samples examination performed with other methods - unknown in Poland and going beyond the definitions included in the Regulation, should not constitute the sole basis for assessing the correct meat content. The obtained results may be unreliable and mislead consumers.
